***WE BE LIT CHILDREN'S BOOK FESTIVAL***  
***Community Partnership Invitation***  
Where Literature Inspires Tomorrow's Readers & Leaders

Dear Community Partner,

On behalf of Life Is A Ballroom, LLC, I am pleased to invite your organization to join us as a **Community Literacy Partner** for the upcoming **We Be LIT Children's Book Festival**, a vibrant community event dedicated to inspiring the next generation of readers and leaders.

"LIT" stands for **Literature Inspires Tomorrow's Readers & Leaders**, and the festival is designed to celebrate the power of books, storytelling, and imagination by bringing together children, families, authors, educators, and community organizations for a day centered on literacy and learning.

The festival will feature children's authors and illustrators, storytelling performances, literacy vendors, arts and crafts, music, and interactive reading activities designed to encourage children to develop a lifelong love of books.

We are inviting select community organizations, libraries, literacy programs, and youth-serving nonprofits to partner with us by contributing their expertise, volunteers, programming, or educational resources to help enrich the experience for children and families attending the festival.

Community Literacy Partners may support the event in a variety of ways, including:

- Providing volunteers to assist with festival activities
- Hosting a literacy activity station or interactive booth
- Leading a storytime, reading circle, or educational workshop
- Donating books or literacy resources for children
- Assisting with community outreach and engagement

In appreciation of your partnership, participating organizations will receive:

- Recognition as an official **We Be LIT Community Literacy Partner**
- Logo placement on festival promotional materials and website
